March 2018

Dear Parents/Guardians:

Welcome back! We hope everyone enjoyed their March Break.

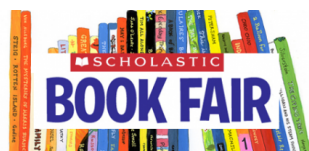

Winter Carnival was held last week. There were various activities, theme days, and competitions held over the entire week.

Anti Bullying Day was a great success and everyone wore a pink t-shirt to show support for this worthy cause

The Book Fair is scheduled for March 26th - April 2. Our last book fair was a huge success. Let's make this one even better!.

More information will be available soon.

March 16th

Whats happening?

To celebrate 100ths day we want our students to have some fun and dress up!

You can create a shirt that displays 100 items or dress up like you're 100 years old!

There will be activities happening in the morning for the students to participate in and have some fun!

100 days smarter!!!!

At Natoaganeg School we live by the **Healthy Bodies, Healthy Minds, Healthy Spirits**

philosophy and we do our best to impart this message to the students. One way we do this is by providing the children with a healthy and nutritious breakfast and lunch each day.

Children should come prepared with a healthy snack that is **low in sugar and sodium**. Some

examples of an appropriate snack are:

applesauce, fruits, veggies, cereal bar, granola, yogurt, cheese, milk (white or chocolate), crackers.

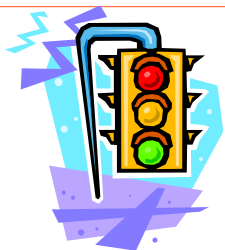

The grade 6 - 8 students at Natoaganeg school have been participating in a program called Young Entrepreneurs. With this program, they create their own businesses and sell their own products. They will be selling these products at the Young Entrepreneur Fair, which will be taking place on Thursday, March 15th, from 1:00 - 4:00pm at the Band Hall. The grades K4 - 2 will be heading over to the fair from

1:00 - 1:45, and the grades 3 - 5 will be going to the fair from 1:45 - 2:30. Feel free to meet your child at the fair, or send a few dollars with your child so they can support the Young Entrepreneurs.

Goody Cart:

A reminder that we will be selling healthy items in the goody cart once again this year. Also there is no borrowing. Goody Cart prices are \$1 for a food item and \$0.50 for a chocolate milk.

The Home and School Association will be selling bags of popcorn on Fridays for \$1.

PATHS IN OUR SCHOOL

All feelings are OK! It is what we do with those feelings that can be good or bad. Uncomfortable feelings like sad, mad, frustrated, disappointed, scared are things that we sometimes feel. The important thing is to help our students choose positive ways to express or show their feelings.

Positive ways to express uncomfortable feelings might be to talk to someone, take deep breaths to calm down, take a break from the situation, ask for help... In our PATHS lessons and throughout the day, we talk about how to handle uncomfortable feelings by using the control signals poster. Ask your child to show you the three steps of Red, Yellow and Green!

Code of Conduct

- **Arrive on time and be prepared to learn.**
- **Be polite to children and adults**
- **Work hard to be successful**
- **Respect our environment**

The Code of Conduct has shown improved student behaviour last school year and we are aspiring for our students to continue demonstrating their ability to show good character. This document will bring current school behaviours, policies and practices together with Policy 703 NB Student Code of Conduct. There is an increased emphasis on intervention, training, and consequences that are planned to help students learn how to behave rather than just punishment. There might be times when behaviour warrants detention or suspension. The school staff has practiced this philosophy and we have seen great success in the past school years. The emphasis is to create a culture of acceptable behaviour within the school. Students will be taught how to behave in a variety of situations including playground, lunch, hallways classroom and when a supply teacher is present. We believe that all students are capable of behaving well, so it is our job to equip them with the necessary skills to do so.

It is important that the school has the most up to date phone numbers for our students. If you have changed your phone number or the emergency contacts have changed, please notify the school of these changes.
