A few pictures from Winter Carnival week!

At Natoaganeg School we do our best to impart a message to the students that promotes healthy foods and healthy food choices. One way we do this is by providing the children with a healthy and nutritious breakfast, mid morning snack and lunch each day.

If children bring a snack or lunch from home they should come prepared with a healthy choice that is low in sugar and sodium. Some examples of an appropriate snack are:

applesauce, fruits, veggies, cereal bar, granola, yogurt, cheese, crackers.

Sugary snacks, chocolate, juice and chips should not be brought to school.

Mid morning snack consists of many different fruit options like: kiwi, oranges, pineapple and cantaloupe.

Breakfast is served from 8:05 – 8:25 am. Walkers should arrive as close to 8:05 am as possible (especially if they are eating breakfast).

All students arriving after 8:31 am are considered late and parents must sign them in at the office before going to class.

All students being dropped off after 8:31 am must arrive through the main doors of the building. Parents please walk your child into school and sign the late form.

Attention Parents

As an effort to promote more Parent/School communication we are asking Parent's/Guardians to initiate contact with their child's classroom teacher at least twice per month, the Parent/Guardian will have their name put in a draw for a \$50 Gift card. There will be one draw for each group.

100 Days Smarter!

On March 15th we will celebrate our 100th day of school. In the afternoon starting at 1pm, students will be participating in various math activities.

Families are welcome to come join us. Students are encouraged to dress for the occasion in spirit of the 100th day or something math themed.

There will be a gift card draw for the student dressed in the most creative way.

PATHS® in our School

All feelings are OK! It is what we do with those feelings that can be good or bad. Uncomfortable feelings like sad, mad, frustrated, disappointed, scared are things that we sometimes feel. The important thing is to help our students choose positive ways to express or show their feelings. Positive ways to express uncomfortable feelings might be to talk to someone, take deep breaths to calm down, take a break from the situation, ask for help... In our PATHS® lessons and throughout the day, we talk about how to handle uncomfortable feelings by using the control signals poster. Ask your child to show you the three steps of Red, Yellow and Green!

SUCCESSFUL NEWSLETTER DELIVERY BALLOT

Sign below to indicate that your son/daughter has delivered to you this month's newsletter. Have your child return this ballot to the ballot box located at the school office by Friday, March 22. At the end of the month a draw will be made for a gift certificate from all the ballots that are returned.
